As you have already discovered, actions cause consequences. Some consequences are intended, others are unintended. I hope that your education has given you the wisdom to take correct actions and the maturity to accept the consequences of those actions.

This year we, as seniors, have worked very hard to raise funds to meet our various "end of the year" costs. We were lucky to be allowed to run the concession stand for the season's first football game, as well as for the homecoming game. Throughout the last week of October we sold chocolate pumpkin lollipop messages. We also sold candy bars during the weeks of November 9th and 16th. However, the biggest fundraiser so far this year was work day in which students raked leaves, earning money for the class. In order to help pay for the yearbooks, the senior prom, and graduation caps and gowns, it was necessary for us to continue at the rate we started out at. We want to thank you all for constantly being there to help in these endeavors. Other successes this year included the dating service in which we found out who our "real soul mates" are, the talent show in which we were able to recognize the true talents of the students of H.H.S., the Class of '88 t-shirts which we will all be able to enjoy during our extra long summer vacation this year, and the class photos which we will all treasure for years to come. Good luck Class of '88, we'll miss you!!

The days are long and time has stopped
and so we mourn for what is not.
Our eyes are tired with empty looks,
we see blank pages of unfinished books,
our struggles to keep our spirits high
are futile when our best friends die.
And never may we see the day
when thoughts of them don't come our way.
Yet we shall always feel them near
and know their message to us is clear-
that though our emotions hold us down
only love can make the world go 'round.
So let us join our hands and work together
and let friendship bond us forever and ever.

GIRLS' CROSS COUNTRY

The Girls' Cross Country team had a great 1987 season, finishing with a 4-4 record in a very competitive league. A reasonably young squad, the team had some outstanding performances. Led by Junior co-captains Cindy Willis and Faith Fray the girls tackled strong opponents. Most notably overpowering defending league champion Marshfield in a close 28-27 meet.

Hingham had Christina Finlay elected to the Old Colony League all-star team for the second year in a row as well as ranking three league honorable mentions for Freshman Jen Sanford, Sophomore Stephanie Margetts, and Junior Faith Fray.

All of the girls gave meritorious performances and look forward to even more success in the seasons to come.

THANKS MR. RYAN! GREAT SEASON GUYS!

Mr. Ryan, coach, L. Thaxterm, C. Coccio, C. Leah, S. Margetts, N. DellaVolpe, A. O'Mara, C. Finlay, J. Sanford, H. DuCasse, F. Frary, C. Willis.

BOYS' CROSS COUNTRY

The 1987 Boys' Cross Country team ran well. Led by captains Steve Gregoire and Sean Leahy, the team finished third in a very competitive league. Leahy finished in the top ten in the league and went all the way to the state competition, while Gregoire finished in the top thirty. A much improved Junior Matt McCourt finished twelveth, followed by Barry Willis at thirteenth. A large improvement was also seen in Steve MacDonald, who bettered his time by over two minutes on the home course.

Everyone ran well this season, and the impressive performances by underclassmen ensure many more successful seasons.

Field Hockey

The 1987 Hingham Field Hockey Team succeeded in exceeding many people's expectations. The team finished with a record of 9-2-5 in the league and an overall record of 11-3-5. After maintaining second place in the Old Colony League, they beat their biggest rival, Marshfield, by dominating the quarterfinal in the State Tournament. The competitive Hingham Field Hockey Team played an excellent 1987 season, with three all-stars, Karen Reichenbacher, Jen Campbell, and Ellen Donaldson. The team also had two all-league players, seniors Katie White and Jen McInnes. Hingham dominated the league in scoring, with Ellen Donaldson as league leader and Katie Costello and Jen Campbell tied for third. Overall, this young team had a successful season and looks forward to many more wins.

Girls' Soccer

The 1987 Girls' Soccer season started off slowly. Though our record was not really good, we were still a strong team. The starting defense was: goally Emily Greenlaw, sweeper captain Kristin Harkins, right fullback Maureen Supple, left fullback Alison Taylor. The defense was very strong this year. Together, we worked hard pulling the off-side trap.

The mid-field was controlled by center half-back Leigh-Ann Taylor, with Beckie Carnes on her left and Claire Higgins on her right. By controlling the middle, the mid-field players helped our team to stay in all the games. The front line started with Stacy Sullivan on the right wing, Cara Harries on the left wing, and Katie Delay and Karen McCann on the insides. Though the forward line was young this year, the return players will be strong next season.

The seniors on the team this year have helped keep the team together through their continued spirit and dedication. Though not all seniors started, all were a vital part of the team.

The following players also remain on varsity: (Seniors) Katherine Beal, Nicole Cummings, Lynn Devin, Kathy Kababik, (Sophomore) Barbara Violandi, (Freshmen) Kristen Conway, Sue DiMaggio, and Lindsay Griffith. We are confident that the team will return strong next season.

Varsity: K. Conway, C. Harries, L. Taylor, S. DeMaggio, K. McCann, L. Griffith, E. Greenlaw, L. Iorio, K. Delay, S. Sullivan, A. Taylor, Coach Oliver, N. Cummings, M. Supple, K. Beal, K. Harkins, L. Devin, B. Carnes,

Boys' Soccer

The 1987 Boys' soccer season will go down in infamy. A young team and a tough schedule contributed to the teams record of three wins, ten losses, and four ties. Yet this is not a good indication of the quality of the team. The forward pairing of Dan Michon and Doug Scipione led the team in scoring and were two of the hardest workers on the team. Co-captain Kurt Schuwerk was moved from defense to lend a hand with co-captain Eric Ponichtera in the midfield. On the outside, Jon Ledwick and Peter Kuperstein played very well as did Chris Haskins and Eric Brown. At fullback, the combination of Jay Osler, Rob Ramsey, Bill Lavin and Mark Wolpers provided coverage for third year goalie Kevin Sampson and his backup Matt Pederson. The season was one of ups and downs. Case in point: the first game against last year's champions Plymouth-Carver ended in a 7-0 loss. In the rematch, however, Hingham gave Plymouth its hardest game in two years, a game Plymouth barely won 3-2. The season was characterized by tough close games and hard play. In fact, the only element missing from the team was luck.

FOOTBALL

The Hingham Harbormen finished at 4-5-1 after having been undefeated and in first place for five weeks this year. The team's biggest struggles came against Bridgewater-Raynham, Taunton, Weymouth North, and Randolph. Bridgewater and Weymouth went on to capture the league, leaving Hingham in a respectable fifth place.

Under the leadership of Doyle, Myers, Giarusso, and Dillon, the team was strong, quick, and ready to hit.

Hingham players received several awards. Joe Doyle, John Myers, Dave Giarusso, Joe Dillon, and Dave Mortland were all voted Old Colony League All-Stars. In addition, each of the four captains were voted WATD players of the week. the coaches' awards went to: Joe Doyle — MVP, Joe Doyle — Best Runningback, Dave Giarusso — Best Offensive Lineman, John Myers — Best Linebacker, and Dave Mortland — Best Defensive Lineman. Awards also went to: Brian Herman — Big Sack, Kevin Lynch — Long Snap, Brian James — Interception, Chris Clapp — Punt, and Kevin McGowan — Consistency.

This year's golf team had a sensational season. Particularly successful was junior Chris Cox, whose record of 11 wins and 1 loss made him the team's most consistent winner. Also outstanding were seniors Jeff Scipione, Paul Cieslik, Matt Kearney, Todd Fithian, and Tom Czarnota. Coach Curren anticipates another winning season next year.

This year football cheerleading was much more enjoyable than in the past two seasons. Throughout the season, there were agreements and disagreements, but we all knew that differences of opinion were sometimes what we needed to make a good squad. After all the quarrels, the team remained unified. Toward the end of the season, although the football team started losing, the girls had fun and joked around, making the cold games warm and the warm games "COOL"!

" . . . We were struttin' down that field with our Super Bad team . . . singin' P-A-R-T-Y! Party Hardy at Hingham High!"
RAH!

Girls' Winter Track

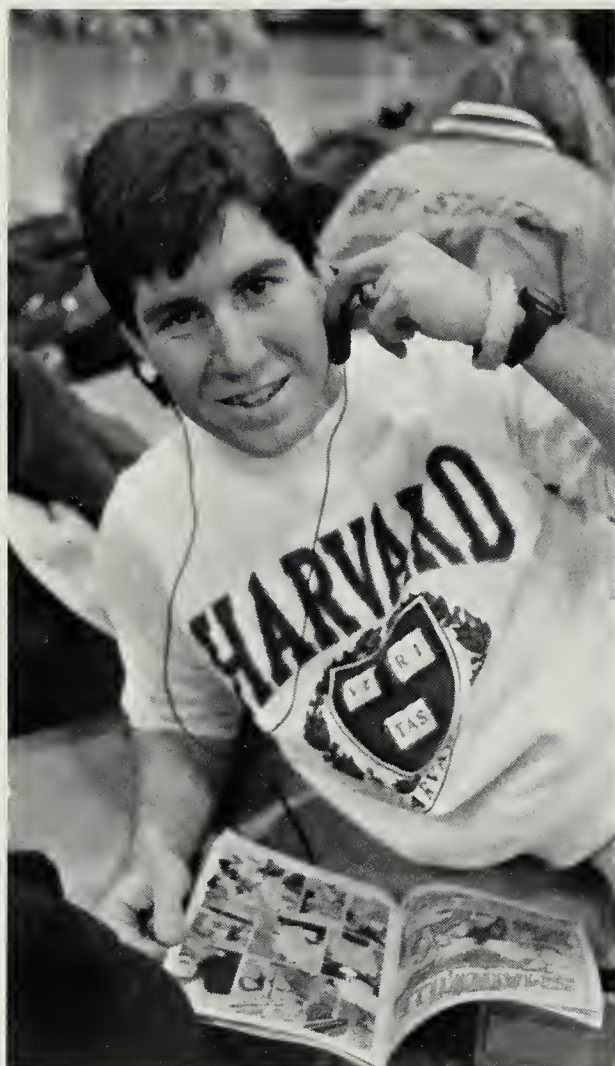

The Hingham Girls' Winter Track team had a great '87-'88 season, more successful than the 3-3 record suggests. We had great showings in the state meet and league meet in which we placed third. First year coach, Ms. Pennell, made great use of the team's depth and talent in meets and tested our endurance and ability in practice. Everyone performed to full potential and contributed to the team's success. Consistently excellent performers in dual league are: (juniors) Nicole DellaVolpe and Julie Diercks and (senior) Celine Charniaux in the 50m; (freshman) Jen McKenzie and Susie Cannon in the 50m hurdles; (junior) Stacy Sullivan and (freshman) Bonnie Howe in the 300m and high jump; (senior) Kristina Kovatch (co-captain) in the shotput; (junior) Kathy Shaw, (senior) Rebecca Lambert (co-captain) and (freshman) Laura Iorio in the 600m; (senior) Kristin Gould and (freshman) Heidi Kutsche in the 1000m, as well as Christina Finlay who took first place in the 1000m at the state meet, earning the gold medal she deserves. In the one mile are (sophomore) Lynn Hansberry and (juniors) Laura Reagan and Jen Rapucci; and in the two mile is (junior) Lee Stinson. With the combination of our high hopes, standards, and determination we were easily among the very best teams in the Old Colony League this year.

The 1988 Hingham High Boys' Indoor track team underwent a rebuilding year, as the team finished a lowly 2-4. There is something to be said for this poor showing because only 15 kids came out for the team. The team was led by senior co-captains Rob Ramsey and Sean Leahy. Chris "no show" Taylor was the final captain, but he did not run this year. Rob "long neck" Ramsey competed in the shotput and the 50 yard dash. Rob really helped the team a lot by sticking out his neck in a few races. Co-captain Sean "the force" Leahy competed in the mile and two mile run. Sean was undefeated in the Old Colony League in both events, and when he stepped into Taunton Field House his opponents became very intimidated. Senior Steve "the arms" Gregoire competed in the two mile this past winter. Steve was a big factor in a few meets as he picked up a few points for the Harbormen. Junior Matt McCourt competed in the 600 for Hingham and he showed that he had great leadership abilities. Matt had a great season seeing that he only got beat twice all year and was loved by the entire Girls' Winter Track team. Senior Dave "Big House" Mortland was a very big pickup for the Harbormen this season. Dave competed in the shotput and picked up some much needed points for the team. Dave's antics on and off the track was very much appreciated by all.

Ice Hockey

The 1988 Hingham High Hockey team exceeded many people's expectations. A young team, they finished a very successful season with a record of ten wins, eight losses, and two ties.

The strong offense, led by Senior co-captain Dave Rioux succeeded in overpowering opposing defenses in many last-minute, heartstopping power plays to achieve final victories. The capable defense, led by Senior co-captain Todd Fithian, kept many an opposing team at bay long enough for Hingham to add another win to its record. The strong skills of goalie Aaron Smith was also the key to success in many Hingham games, while offensively, Freshman Rob Canavan was able to maintain the position as team high scorer.

The HHS team was further honored by obtaining five spaces on the O.C.L. All-Star team. These players included Todd Fithian, Dave Rioux, Karl Willner (all Seniors), Junior Aaron Smith, and Freshman Rob Canavan.

The team enjoyed a very good season and are thankful for the enthusiastic support of all of their loyal fans.

Gymnastics

The 1988 Girls' Gymnastic team was a great one. Along with the hard work we had a great deal of fun. The captains, Kerry Duffy and Missy Striano were excellent leaders and held the team together through thick and thin. We had our share of trials though, for example, Kerry broke her foot in the middle of the season and wasn't able to compete until the last few meets. The team was made up of an unusual combination: two seniors, two juniors, four sophomores, and eight freshmen. We did win two meets with our best event being the vault.

The 1987-1988 girls' varsity basketball team consists of (seniors) Maureen Supple, Beckie Carnes, Joanne Long, Megan Howlett, and Christine McCarthy; (juniors) Leigh Ann Taylor, Cindy Willis, Kristine White, Patricia Griffith, and Laura Bonetsky; and (sophomores) Lisa Doty and Patricia Aylward. Although the team was not as successful as they desired and lacked a lot of height, they had a good blend of experience, dedication, commitment and most of all, a lot of fun. The team had six returning varsity players and six players came up from last year's junior varsity. The girls kept the the pressure on opponents with an aggressive defense. The team led their offense by fast-breaking. The starters for the team were Beckie Carnes, Maureen Supple, Kristine White, Patricia Aylward, and Christine McCarthy. The team, with the seven returning varsity players, are looking forward to a more improved and successful 1988-1989 season.

Boys' Basketball

The Boys' Varsity Basketball team, although they lost nine seniors, were 7-8 in the league, and 8-11 overall. The team consisted of five seniors, co-captains Kurt Schuwerk and Dan Michon, John Gilbert, Mark Mullen and Mike McCarthy; and Four sophomores; Pat Carnes, Tom Gonsalves, Charles Krastin, and Jason Bologna.

Although the team lacked experience, they learned fast and worked well together. Due to the lack of height, the team broke fast which made the games very exciting. The offense was led by Kurt Schuwerk, who had three games with 28 points. The other sources of offense came mainly from Mark Reilly (Massasoit Tournament MVP) and Pat Carnes. Gilbert and Michon used the three point shot to open up the middle for Schuwerk, Rielly and Carnes. Although Zaccardi did not play much at the start of the season, he worked hard and started in the last four games of the season. Zaccardi added the defense and enthusiasm which the team needed. The team used a variety of set offenses which kept teams off-guard.

Wrestling

The 1988 wrestling season was one to remember. Under the direction of Coach Bill Barges Hingham placed second in the Old Colony League and finished the season with an overall record of 12-4.

Seniors Mike Long at 125 lbs., Jon Myerov at 130 lbs., Fred Hall at 135 lbs. and Chris Maescher also at 135 lbs. came through for Hingham in the darkest of moments. Hingham's strength started at 140 lbs. with sophomore Matt Shane. Matt was Hingham's shining star this year. Matt placed second in Sectionals, third in States, and sixth in New England, Hingham's first to place in States or in New England! Senior Chuck Cordiero stole wins at 152 lbs. Senior co-captain Dave Di-Marino finished the season with a 12-1 record and placed third in the Sectionals. Co-captain Barney Shane finished the season undefeated and ended up third in the Sectionals. Senior Peter Carney at 189 lbs. finished his season with a 12-1 record and also placed third in the Sectionals. At heavy weight, senior Steve Carr remained injured most of the season with a broken nose, but returned to help Hingham at the end of the season.

Hingham had an awesome year and the seniors of this year's team wish the best of luck to the team in the future!

Hockey Cheerleaders

For the second year in a row, the Hockey Cheerleading squad has been strong. We started fundraising (selling shakers) during the football games as well as door to door. At the beginning of November our season started, practicing cheers as well as organizing the Pep Rally for winter sports. What would we have done without all the help of our advisor, Mrs. Norton, and all of the loyal fans? We would especially like to thank Jocelyn Gabriele, Brian Rioux, and Robbie Boretti for always being there! To the Hockey team: Thanks for putting up with us on the bus! You guys are awesome!

Basketball Cheerleaders

We have had a fun and exuberant season. The eleven of us became close through our problems and successes. The basketball team did great and we are very proud of them. Their close games and win gave us a lot to cheer about! As cheerleaders we will never forget: the deal, M.J.'s flowers, crush pyramids, the fall, bus trips, bowling, #21, and Gabe's dreams. Punctuality was never one of our strong points, but we got everything done. Thanks to all who supported and motivated us at each game. And especially to Mrs. Devito, our advisor, who always made sure we did our best.

J. Ingrassia, M. Sweeney, S. Greene, C. Holler, G. Carroll, C. Reddish, L. Cordiero

Softball

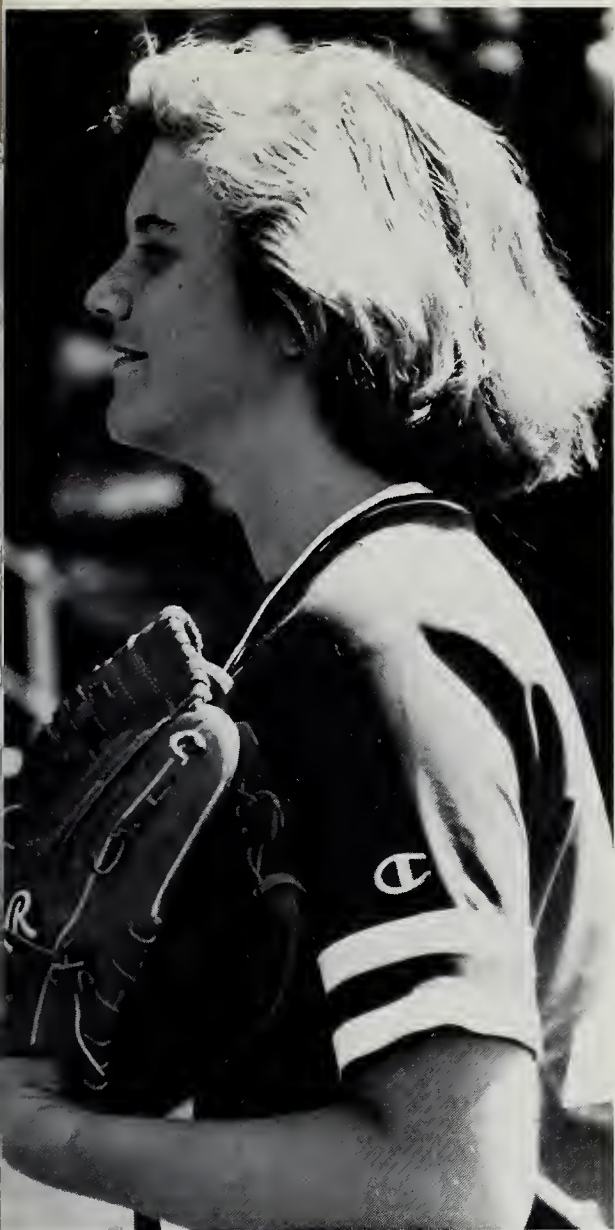

The 1987 softball season was definitely not a winning season. Despite this fact, the girls worked hard throughout the season. As we began the season we realized that this would be a rebuilding year as we only had four returning varsity players. The rest of the team, most of which had some experience on J.V., were not used to the type of playing necessary for varsity. Yet by the end of the season these players felt a certain confidence in their ability.

The returning seniors for the 1988 season are co-captains Christine McCarthy and Joanne Long, Wendy Schuka, Tina Marini, Ellen Donaldson and Meg Howlett. Coach Mortimer and the team look forward to a promising season and hope to be a competitive force in the O.C.L.

Baseball

Teamwork is a term that best describes the 1987 baseball team. Head coach Charles Green instilled a feeling of team unity with rigorous workouts in the gym well before the start of the season. With this unity the Harbormen went on to have a successful year (twelve wins, six losses) and qualified for the state tournament for the first time in four years.

The team was scouted as an offensive squad with the potential to score runs. However, early in the season it was the pitching that won the ball games, with several shutouts. The bats soon caught fire and were responsible for many of the later wins.

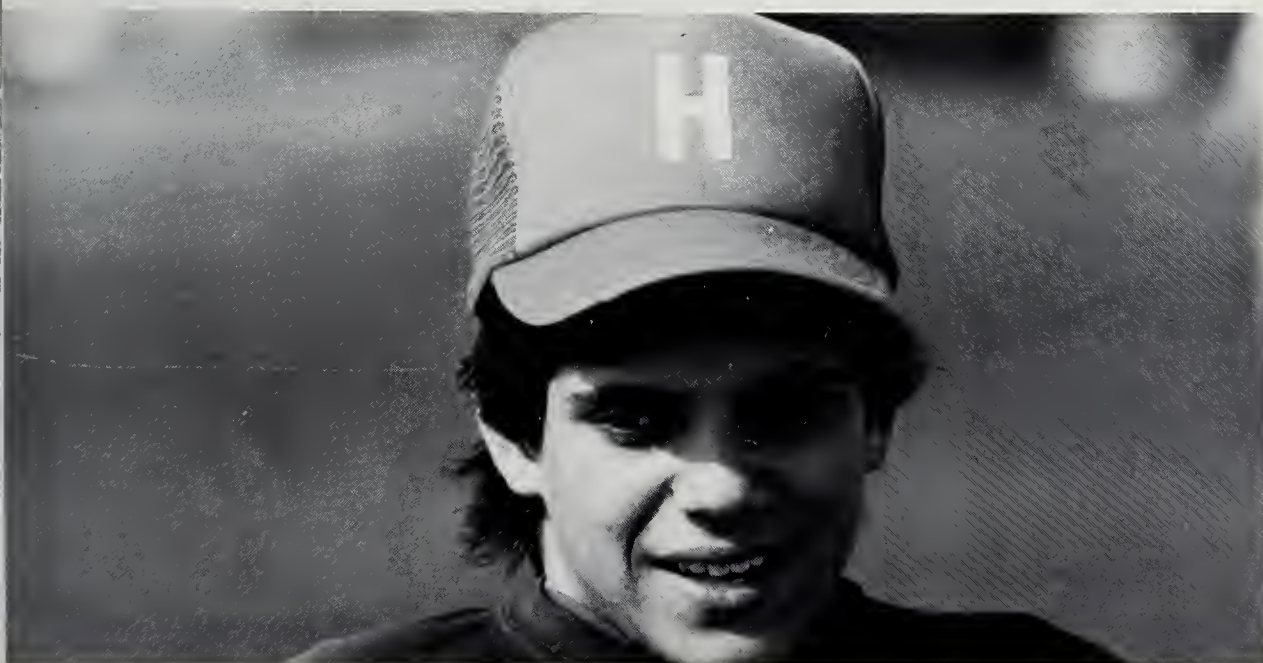

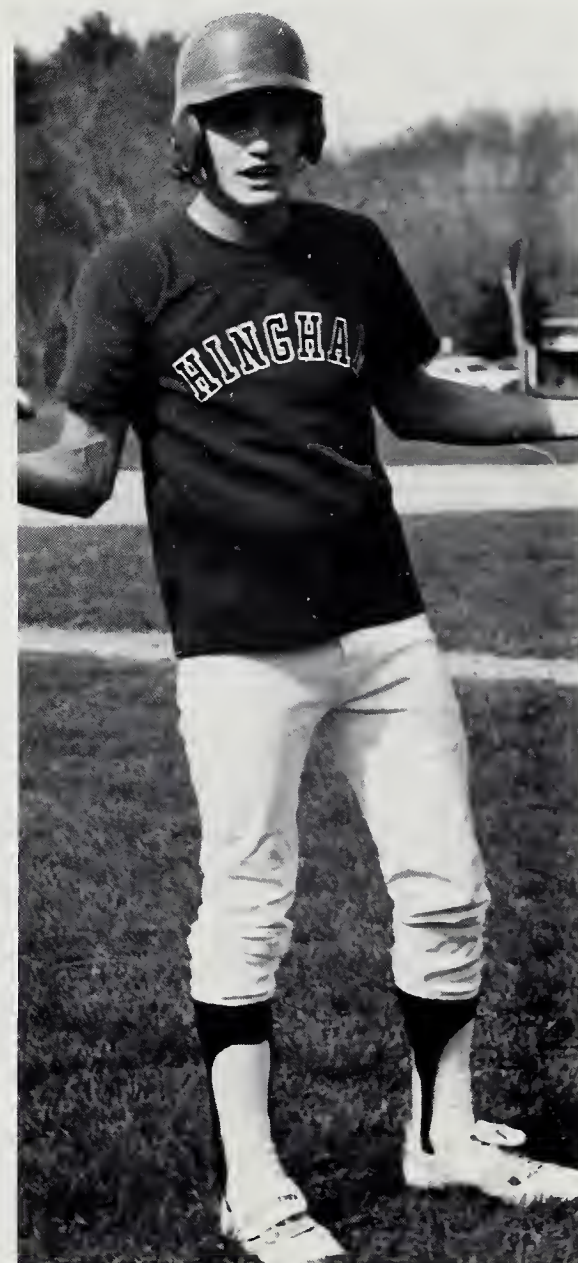

The team played in the tough Old Colony League which sent four teams to the state tournament. Hingham was ranked in the top ten in the state for most of the season before losing to a good-hitting Xaverian ball club in the first round of the play-offs. This loss did not take away what the Baseball team accomplished in 1987, setting a mark for more success in the future.

The 1987 Girls' Lacrosse team played well throughout the season despite a loss to Acton-Boxboro in the semi-final round of the state tournament. Captains Lori Svedman, Lauren Devin, and Andrea Mayer led a strong senior class through a good season. Coach Williams is looking to rebuild in the upcoming season. Returning varsity players include: sophomore Jessica Bradeen, juniors Elena Avila, Leigh Ann Taylor, and Jen Watson, and seniors Beckie Carnes, Heather Parsons, Lynn Devin, Kristen Harkins, and Kristen Vickery. Several strong junior varsity players will also return to help out. Captains Heather Parsons, Beckie Carnes, and Lynn Devin are looking forward to a good season and hope to lead the team to victory.

Hingham Lacrosse — hard work, team work, excitement and winning. The tradition continues. 1986 - State Champs, 1987 State Semi-finals, 1988 - ?

Dave Giarusso (Defense), Joe Doyle (Mid-field), and Rob Falvey (Attack), the tri-captains lead the team to continue the Hingham Lacrosse tradition. This group of seniors only know winning, playing good lacrosse, coming from behind, building on a lead, giving 100%, loving the game and RUNNING.

The challenge is Division I for the first time and a new coach, but the potential is there to be realized. Rob Falvey will be one of the leading scorers in the league. Joe Doyle will explode with his quickness on face-offs and with his occasional hat trick of goals. Dave Giarusso will intimidate and deny opposing attackmen.

Mike Brazis, having perfected his clearing pass will both defend the net and start the fast break. Chris Clapp, John Cassedy, and Kevin Lynch return as starters, ready to contribute.

The girls' varsity tennis team continued their dominance of the Old Colony League in 1987. Over the last three years, this team has won just about every championship possible in girls' tennis. This success comes from team pride and spirit as well as their continued pursuit of excellence. Tri-captains for spring 1988 are Sandra King, Lavinia Davis, and Allison Servetnick. The team is looking forward to another successful season and the team goal is to win another State Championship. Accomplishments: State Champions 1985, 1986. O.C.L. Champions: 1985, 1986, 1987. Individual Achievements: Sandra King, Massachusetts State Singles Champion 1986, 1987. Allison Servetnick and Tracy MacKenzie, Massachusetts State Doubles Champions 1987.

The 1987 tennis season was an optimistic one. The team had great success in 1986. The team's accomplishments in 1986 were impressive. We won all of our sixteen matches in the regular season, the Old Colony League Championship, the South Sectional Division II Championship, and the Massachusetts State Division II Championship. Therefore, the 1987 season was full of high expectations. Our returning players were primarily seniors. Sean Kapinski, the number one player, was undefeated in 1986 and 1987. Tom Leary, a four year veteran, was a strong number two player. Jamie Carroll also had a great season. Our doubles teams were strong. The doubles team of Matt Salvetti and Doug Scipione went 20-2 in 1987 and Brant Mehrmann and Jeff Scipione went 22-0 in 1987. With the support of our alternates and Coach Carl Nelson, we made it to the semi-finals of the South Sections with a 17-1 record. However, a tough match with Duxbury ended our hopes of a repeat of 1986. Eventhough the season ended on a negative note, we plan to have a great season in 1988.

Girls' Spring Track

The 1987 spring season was awesome. We ended the season with second place in the O.C.L. with a record of 7-1. We also had strong showings in the state meet and the New England meet. Eleven girls went to the state meet in the mile relay, long jump, triple jump, and 300 meter hurdles. The mile relay team, triple jumper Stacy Sullivan, long jumper Tanya Prime, and Christina Finlay in the hurdles qualified for the New England meet. Finlay placed second in her event. The whole team contributed to our success with their unending spirit.

Boys' spring track was finally at home again. Having a home meet on a brand new track was a welcome sight in 1987. After being condemned in 1985, the only use for the old track was practice. The construction of the new facility enhanced the team spirit and attitude. This attitude led to a winning season, but more important was the enjoyment of participating at home as well as away.

ACTIVITIES

West Side Story

Last year's musical production of **West Side Story** was an enormous success. The show played to sell-out audiences both nights. Many left the auditorium in tears due to the deeply moving performances of Michael Jordan and Becky Herzberg, who played the leading roles of Tony and Maria. Other leads were Jay Muldoon, Jon Metters, Robin Moyer, and John Hess. This year's seniors with leading roles were Jamie O'Neil, Keith Ryan, Lisa McColgan, Missy Mayo, and Kathy Manning. **West Side Story** was directed by Mr. John Higgins, choreographed by Mrs. Donna Luther, and introduced Mr. Jeff Browne as musical director.

JUNIOR PROM 1987

On May 16, 1987 hundreds of members of the Class of '88 came together at for one final celebration of the year, the Junior Prom.

The cafeteria of Plymouth River Elementary School was transformed for the evening into a lovely ballroom, complete with streamers and balloons of silver, black, white, and pink. The atmosphere of elegance was compounded by a great disc jockey, wonderful refreshments, and beautifully dressed members of the class.

As a result of the fantastic environment and, of course, the wonderful company, an enjoyable evening was experienced by all and many memories were made.

HOMECOMING 1987

Ellen & Dave

By 1:30 October 24, the new field was clear and ready for play to begin for our Homecoming 1987 matchup against Bridgewater-Raynham. Although our football team fought hard, the victory was not to be ours, losing 14-0.

During halftime Mr. MacLeod crowned Joe Doyle and Missy Sullivan Homecoming King and Queen. The King and Queen were attended by court members Rebecca Lambert, Peter Kuperstein, Ellen Donaldson, John Myers, Jenn Mahoney, Dan Michon, Kathy Manning, Mike Watson, Beckie Carnes, and Dave Giarusso.

Later that night, the members of the court joined many others to celebrate Homecoming 1987 at the dance.

THE MUSIC MAN

This year's fall musical was Meredith Willson's "The Music Man". Over 75 students participated in the production working in both cast and crew. The show was a huge success, receiving standing ovations at all three performances. "The Music Man" was directed by drama teacher John Higgins and choreographed by Mrs. Donna Luther. The musical direction of the 16 piece pit orchestra and cast was by Mr. Jeff Browne. Outstanding performances by principle actors Jamie O'Neil, Kathy Piazza, Matt Pederson, Keith Ryan, Missi Mayo, T.D. Carpenter, Amy Hutchinson, Cheryl White, and Greg Hren also helped to make the play memorable.

Spirit Week

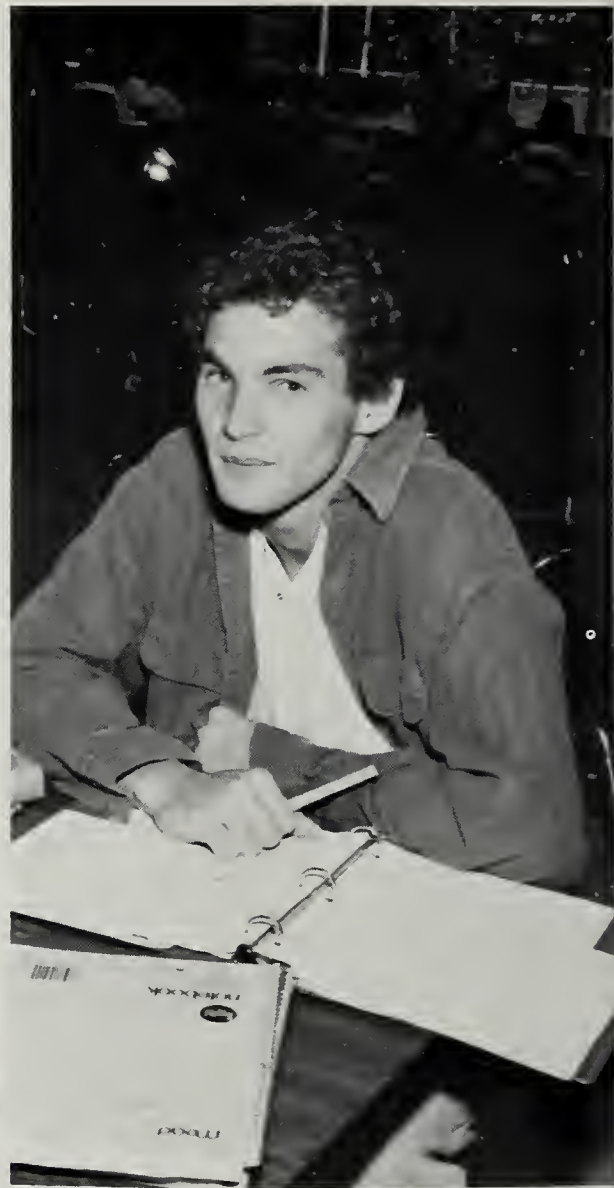

Traditionally, Seniors win the contests of Spirit Week. The Class of 1988 was no different. We dominated most of the activities of the week, including the tug-of-war, the jello-eating contest, the lemon and lime eating contest, and through the talents of Katie White and John Myers, the bread-pushing contest.

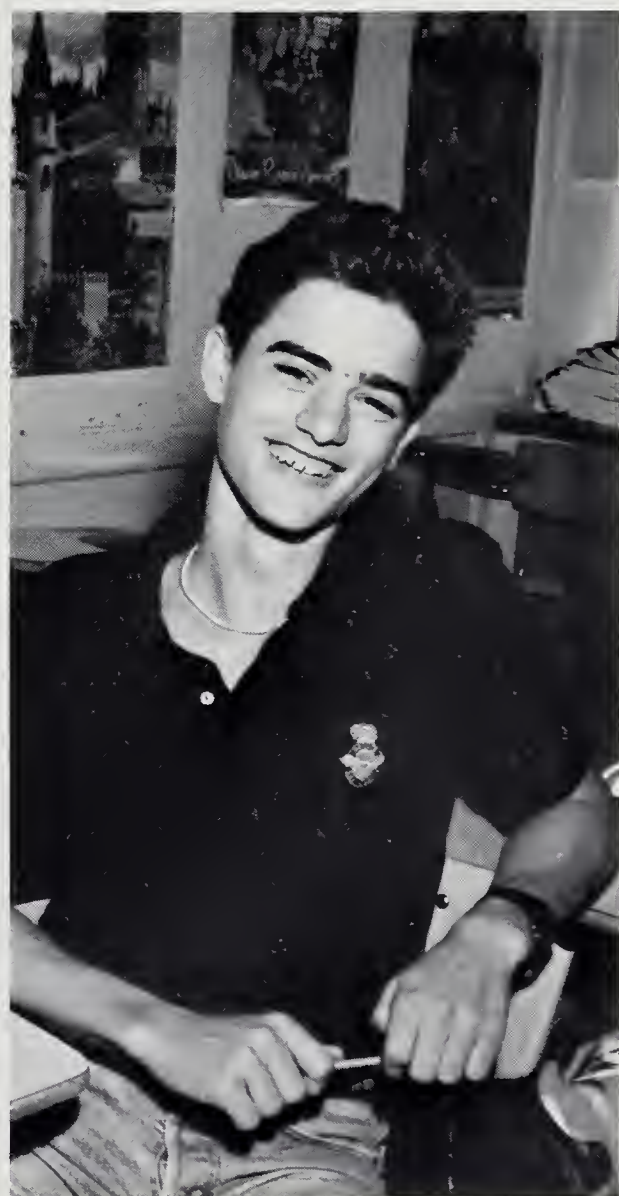

Our wall, though not voted the best of all three classes, did express much about our class. Decorated with "We had the time of our lives" theme and covering all aspects of life in Hingham, from windsurfing to graduation, it definitely showed ingenuity and deserved to win.

Through our remarkable victory at Spirit Week and our behavior at the pep rally, it was clear that the Class of 1988 was, without contest, the most spirited class in the school.

Harborlight

Editors: K. Butler, H. DuLawrence, K. Malone, A. Iser, J. Hughes, E. Torrey, A. Butler, P. Kuperstein

This year, the Hingham High School newspaper, **The Harborlight**, came under the reign of a new editorial staff. Editors-in-Chief Ethan Torrey and Allison Butler, Features Editors Kim Butler and Jeff Crawford, News Editors Bob Delise and Allison Iser, Sports Editors Peter Kuperstein and Jamie Hughes, and Art Editor Ed Sargent composed the hierarchy of the school's periodical.

This year **The Harborlight** confronted critical, social, and education issues, yet maintained light entertainment reviews. Creative writing augmented the Features Department by adding an element of the unrestrained imagination to the paper. The articles were accompanied by dramatic photography and illustrations from the Art Department.

Special thanks go to Mrs. Rehnquist and Mr. Ozug for their flawless words of wisdom which permeated our every thought and action.

Staff: E. Torrey, A. Butler, H. DuLawrence, K. Butler, K. Malone, N. Blaustien, F. Hall, A. Youssef, L. Carey, P. Kuperstein, D. Ngo, A. Iser, M. Healey, J. Hughes, C. McManus, L. McColgan

Editors: K. Beal, A. Farrell, R. Lambert, K. Vickery

The 1988 Yearbook staff started meeting early in October in order to create this "masterpiece." We embarked on what would be five months of constant headaches and anxieties, no one ever quite knowing how to do things, but always (with help from the ever-vigilant Dick Swiech) learning and cramming to meet our deadlines. What you see before you is the product of hours of work, not always accomplished in a clear state of mind, with our "wackiness" often adding to our creativity.

We, the Editors, sincerely hope you find this book representative of this experience that is called Hingham High School. We would like to thank everyone who helped us in any way, from the typists to the write-up writers, and for the general positive feelings of the whole school toward this project. We hope you all forgive our nagging and interruptions after you see the results of our efforts.

We would especially like to thank Mr. Frank Tierney for his expertise and wisdom and for teaching us that if we have a good idea we should just "RUN WITH IT!"

ENJOY!

National Honor Society

The nineteen new members of this year's National Honor Society continued the society's traditions of high standards of scholarship and service. Earlier in the year, N.H.S. helped to greet and assist the evaluating team that evaluated H.H.S. this year. Exceptional members sacrificed their Sunday and various study periods during the week to assist the evaluators in any way possible and to make their stay more pleasant. Since January, the society has been involved in a program to assist the Resource Room with tutorial services. Among other notable activities is the society's 5th annual canoe trip through Vermont. "The Rough Riders" Bob Delise and Ned Baldwin, set a new record for completing the trip in nine days, two hours, and fifteen minutes. This will surely be a tough time to beat. To start a new tradition, N.H.S. has decided to hold the first annual student-faculty jai-alai tournament this year. It's sure to be a hit, especially if Mr. Tierney agrees to play! — Words to live by for next year's N.H.S. from the immortal Frank Tierney: "We're elite and we're o.k."

The A.F.S. Club at Hingham High School is one of the most active clubs in the school. This year we had a record 250 members — the largest A.F. S. Club in New England. In the A.F.S. Club we learn about foreign countries and cultures, and exchange ideas and experiences with the foreign students. Although not all of the foreign students are affiliated with A.F.S., we welcome them all and give them our support.

Throughout the year we have many activities. We go on hikes and have Dance-A-Thons for charity. In 1986 half our earnings from the Dance-A-Thon went to Shriner's Burn Institute and in 1987 the earnings went to AIDS Research. We have also done charity work at The Friends Home on Turkey Hill in Hingham. The ski trips we sponsor are always fun and are often new experiences for the students, both foreign and American.

The highlight of the Club's year is the Short-Term Exchange with another town in the United States. About 35-40 students from another A.F.S. Club stay with Hingham students for one week. In return, we stay in their homes for one week later in the year. Past exchanges have included Alcoa, Tennessee in 1986; Berwyn, Pennsylvania in 1987; and this year's exchange to Portsmouth, Virginia.

We will always remember Chubby Bunny, The Beach Party, raking in sub-zero weather, the famous/infamous slides, 20 questions with David as Frank Perdue, the bus trips with Joe, and the making of the ever so popular A.F.S. calendars. Don't forget the hoobies! With the wonderful help of our advisor Ms. Gillard the A.F.S. Club is a great success.

International Students Club

Jorge Soto, Andrés Salanova, Ana Rodriguez. Missing: Manolo Toledano, Daniel Marcilio, Celine Charniaux, Zerrin Erkal, Itay Maman, and Carsten Webber.

This year Hingham High was lucky enough to have ten exchange students. These students came together to form the first International Students Club at HHS. By selling tickets to basketball games as well as selling candy the club was able to raise enough money to travel to New York City for a trip this Spring.

The International Students Club included: E. Arroyo and S. Rodriguez from Mexico, J. Soto and M. Toledano from Spain, C. Charniaux from France, C

Webber from West Germany, D. Marcilio from Brazil, Z. Erkal from the Turkish Republic of Northern Cyprus, A. Salanova from Argentina, and I. Maman from Israel.

The members of the club would like to thank their advisors, Mrs. Gustafson and Mr. Nionakis, for all their help, as well as the students of HHS for their hospitality and friendship. Each of the foreign students will always remember their awesome year in Hingham, and assure us that they will be back to visit again.

Amnesty International

Members: D. Shaw, J. Fish, M. Pederson, B. Phifer, K. Butler, L. McColgan, E. Chiu, C. Lynch, M. Sweeney, C. White, G. Gratto, J. Mahoney, S. Taarland, M. Gannon, W. Schuka, M. Carty, M. Bernard, B. Amnesty International got off to a good start this year, successfully forming a solid base from which to grow in the future years. Meetings were held and letters were written for fervent AI members, in order to protect the human rights of numerous prisoners of conscience, including children held in Iraq and Ethiopia, as well as prisoners of conscience in Zimbabwe and Bulgaria. The response to Amnesty's first fund-raiser, the Write-a-thon, was overwhelming and has made further fundraisers and publicity endeavors viable for the upcoming year. A former prisoner of conscience, from Chile, Reverend Torres, visited the school in order to raise student awareness of the human rights violations occurring around the world and promote the good works of Amnesty International. Best wishes to the Class of '89 in continuing the fight to preserve human rights around the world.

Officers: M. Augur, M. Bernard, E. Chiu, A. Cronin, K. Carolyn, P. Hess

During the past year the French club was involved in several activities. The club held picnics during the fall, movie parties, visited French restaurants, and attended the show "Les Misérables." The club also took a trip to New York City to sightsee and tour the U.N. All of these activities were funded by a candy sale earlier this year. In April, the French club and Mrs. Flaherty will tour France for nine days. They plan to visit Paris, Versailles, Avignon, the south of France, and the French Riviera.

We have organized many diverse activities for the Spanish club this year. We were very pleased to see the popularity of the club as evidenced by our ever increasing membership. We have done many new things this year. We watched several movies at our president, Kathy Kababik's house, including **Carmen** and **Tristana**. We continued with traditional activities such as attending ethnic restaurants. We had a great turn out for our trip to EL Torito and a successful excursion to Hingham's newest restaurant, Chili's. Our members were very active in several causes this year. Our teaching program was once again a great success and this year we adopted a worthy charity to which we passed on some of the money we were so successful in earning. Finally, we terminated our year with a great cookout/pool party which attracted many members, both old and new.

Student Council

Officers: Jill Buchwalter — President; Beckie Carnes — Secretary; Kristina Kovatch — Treasurer; Jocelyn Gabriel — Vice-President

This year's student council set out on a strong start in September and continued its endurance throughout the year. This year's council boosted moral through its class-spirited activities such as spirit week, winter olympics, and Mayday festival. The council also made a point of making social concerns aware to the students, as these are issues which directly concern them. Money was raised for AIDS Research, a blood drive was conducted with senior donors under the auspices of the Red Cross Association, as well as an assembly to inform students of the dangers of pollution in Boston Harbor and how it affects the Hingham community. The council also sponsored a nine-year-old foster child from Haiti. Much of the success of this year's council was due to a great advisor, Mr. Low, a well balanced chain of responsibility, and most importantly, a fine, spirited group of council members who know what it means to make a difference.

Student Advisory to the School Committee

The students who serve on the Student Advisory to the School Committee, Katie Norton, John Gilbert, Joy Thompson, Kristen Hurley, and Wendy Schuka, are responsible for offering information and

advice concerning student-related issues to the members of the School Committee. In effect, the students are non-voting members of the School Committee. This year these students have dealt with

everything from summer reading to drugs in the schools. The members of the Student Advisory were elected by the students of the High School.

Class Officers

Junior Officers: Stacy Sullivan, John Theophilos, Heidi Smith, Chrissy Norton

Throughout this past year, the junior class has shown their school spirit by planning many activities and fundraisers which will enable our class to come together on May 14, 1988 at the junior prom. Activities such as candy sales, candy cane messages at Christmas, carnation sales on Valentine's Day have helped greatly in raising money for our ever-increasing costs. We are extremely proud of the fact that we won the wall contest during Spirit Week in November, the most prominent award in that event. We, the Class of '89, wish the Class of '88 the best of luck!

The sophomore class officers are Dan Griffith as president, Katie Costello as vice-president, Alison Taylor as secretary, and Caitlin Kelliher as treasurer. Between the officers and the help of the class representatives, we have given a donation to the American Cancer Society, sold candy, sold carnations, and have participated in many if not all school activities. Each member of the class council has put much time and effort into each activity which has helped out the class and the school as a whole immensely. We also play a part in the school-wide Student Council. It is commonplace that the sophomores have a slow start getting involved in school activities and spirit but it looks as if we are off to an unusually good start.

S.A.D.D. (Students Against Driving Drunk) was started in 1986. The familiar phrase "Friends don't let friends drive drunk" heard every Friday on the announcements is a vital part of S.A.D.D.

S.A.D.D. has sold key chains and T-shirts, has had a float in the Fourth of July parade, has had a crashed car outside of the school for the Senior and Junior Proms, and has had an assembly for the students on drunk driving.

The officers, Lavinia Davis,

Katherine Beal, and Rebecca Lambert, have put a lot of time into this club. The club is based on a willingness to fight for education on and prevention of drunk driving, and hopes for an even greater turn out to support its efforts next year.

We would like to thank our advisor, Mr. Peter Bailey, for all his help in getting S.A.D.D. off to a good start.

Remember "FRIENDS DON'T LET FRIENDS DRIVE DRUNK!"

Sailing Team

The spirited youth of the HHS sailing team are drowning in a sea of a retarded tradition. Under the astute leadership of Captain Jon Metters and Captain Merrill "Stubbing" Norton, the sailing team captured second in the state finals held at M.I.T. and tenth in the New England championships. We were immeasurably

helped by the presence and support of our coach Ernest "The Green Sticka" St. Jean, without whom the sailing team would not be able to sail. The team was fortunate in that there were few serious injuries, except for the near loss of Keith Ryan's legs. Overall, the season was successful, considering the lack of organiza-

tion we seemed to experience often. The year it appears the team will be coachless. The captains, Keith Ryan and Jamie O'Neil, are hoping to take the team to the national championship in Annapolis, MD. At the very least, the team hopes to gain a good state and New England ranking.

Football . . . basketball . . . lacrosse . . . why bother? Come and be a part of the ultimate sporting endeavor . . . the math team. Why waste your time catching a football when you can join a team that has no practices and meets only six times a year. Join the math team now!! Seriously, though. The REAL truth about the math

team is that it has nothing to do with math at all. The name is just a front for the best kept secret at Hingham High. The truth is that Mr. Baisden uses the math team funds to take the club into Bermuda six times a year, and get the varsity team completely sunburned . . . as a school sponsored event! So you see, the only

reason we call this travesty the "Math team" is because when heavy hitters like Pete Giordano starts looking for girls, you have to be able to count pretty high to keep trade. So for those of you still in Hingham High, if you can count to high numbers while covered with Hawaiian Tropic, join up!!

Band

Members: W. Schuka, M. Field, J. Thompson, T. Markowitz, H. Macchio, C. Strone, J. Theopolis, B. Johnson, B. Farmer, J. Robinson, M. Darling, C. Canavan, M. Gannon, S. Blampied, S. Tarland, P. Hess, L. Sullivan, B. Torrey, K. Raymond, B. Steves, E. Viscarolasaga, M. Fernald, S. Cusack, D. Rayburn, B. McCabe, B. Pelekis, M. Healey, K. Delay, M. Goldsmith, V. Capella, M. Zaccardi, J. Pimentel, B. Blair, A. Kletjian, M. Costello, C. Flynn, C. Shannon, L. Bitner, J. Fish, M. Canavan, R. McKenzie

Officers: K. Kovatch, W. Schuka, S. Tarland, M. Field, A. Kletjian, C. Klay, P. Hess, R. McKenzie, T. Markowitz, J. Theophilos, B. McCabe, D. Rayburn, J. Thompson, J. Hughes.

The Hingham High School Band is one of the top bands in the state of Massachusetts. It has been since the arrival of its dedicated Director Jeff Browne. Being critical of sound and commitment, Mr. Browne has brought his band to state wide and national competitions where they have placed in the top three in both Jazz Band and Concert Band Competition. The outlook for the band in 1988 has been a positive one and as always the band will hold up the standard that is its foundation; winning many more awards. If any question arises as to whether the band is as good as last year's or the year before that, all one has to do is walk down the cafeteria and stand outside the bandroom door G period and be struck where they stand by the magnificence of the band's unique sound. Try it and listen for yourself.

Jazz Band

W. Schuka, M. Field, H. Macchio, B. Johnson, C. Strone, E. Viscarolasaga, K. Raymond, D. Swanson, D. Rayburn, B. McCabe, S. Taarland, P. Spiegler, N. Richardson, A. Sanocki, J. Hughes, B. Torrey, J. Theopolis, P. Hess

With thirteen out of its twenty-three members graduating last year, the infamous Hingham High Jazz Band was thought to be doomed, never to be seen again — much like a half-decent space in the parking lot. Say it ain't so! Well, it ain't so. With the appearance of many talented sophomores from both junior highs, and the invaluable experience of veteran seniors, we're pretty damn good this year. (Oh yeah, the juniors are o.k., too). In the Southeast

District Jazz Festival in Norwood, MA, the Jazz Band won third place honors out of an extremely competitive group of top bands from around the states. This finish entitles the group to continue on to the state competition in Fitchburg, MA. At the District Festival, Hingham had three of its members honored for their solos during the program — Jamie Hughes on saxophone, Peter Spiegler on guitar, and Cris Strone on bass. Both the Band and the Jazz Band are plan-

ning a trip to Toronto, Canada in May to compete with other bands from across the country. This trip is a result of the grueling slave labor required during the Band's annual citrus fruit sale in November and December. All in all, it's been a successful year, and we owe Mr. Browne an enormous thank you (even though we never, ever, ever got to leave before 4: PM at rehearsal!).

Chorus

M. Friedman, J. Roper, J. Desmond, S. Moran, M. Connors, A. Bastiani, K. Ryan, D. Riccirelli, B. Bowen, W. Schuka, M. Mayo, D. Pettiti, G. Richards, S. Rodriguez, A. Hutchinson, S. Murphy

Officers: M. Friedman, K. Ryan, M. Connors, J. Roper, J. Desmond, W. Schuka, S. Moran

This year, for the first time in over twenty years, the chorus was not under the direction of Salvatore Bartolotti. Dr. Cappers, the new choral director, has been working hard with the chorus officers, president Keith Ryan, vice-president Janet Roper, treasurer Wendy Schuka and secretary June Desmond. Together, it was decided that the chorus would not go on an exchange concert or travel to a festival. This allowed Dr. Cappers to settle

in before undertaking such a venture.

Last year the chorus, in addition to the two concert, travelled to Tonawanda, NY for an exchange concert. This trip was peculiarly fun. All chorus members enjoyed the trip which featured a side trip to the Niagara Falls. Hopefully, the chorus will be able to take similar such fun trips in the future. The entire chorus wishes Dr. Cappers the best of luck in building the chorus.

Choral Spectrum

G. Richards, M. Bernard, E. Chiu, L. McColgan, B. Bowen, B. Hallett, J. Sedaca, M. Field, G. Gregoire, B. Budde, S. Rodriguez, L. Kilmartin, S. Moran

Choral Spectrum is made up of a group of select choral singers. This fun and exciting group sings show choir music, madrigal pieces (Renaissance music), as well as singing and dancing combined. We would like to thank Dr. Cappers for his patience and ingenuity in order to create some excellent shows. We have all had a wonderful time and we would like to wish success to the group in the future.

Orchestra

The Hingham High School Orchestra was once again at its best this year. We had quite an exciting year. Although our European Tour was cancelled, much to this dismay of our overseas fans, we did play in the Winter and Spring concerts at the High School, the MSOA festival in Shrewsbury, the MICA festival, and for the senior citizens at the home on Thaxter Street.

Though the orchestra itself did not make any public appearances, our talented organization was well represented in the Semsba and District Orchestras. All members that auditioned were accepted. Special recognition is deserved by Beth Hallett, who was chosen for the All-State Orchestra viola section, and Joanie Pimental and Cecily Kovatch who were seated first and second chairs respectively in the Semsba cello section.

L. Parke, B. Hallett, C. Strone, J. Pimental, C. Pereto, P. Carney, M. Chung, T. Stein

Officers: M. Chung, B. Hallett, P. Carney, T. Stein

Drama Club

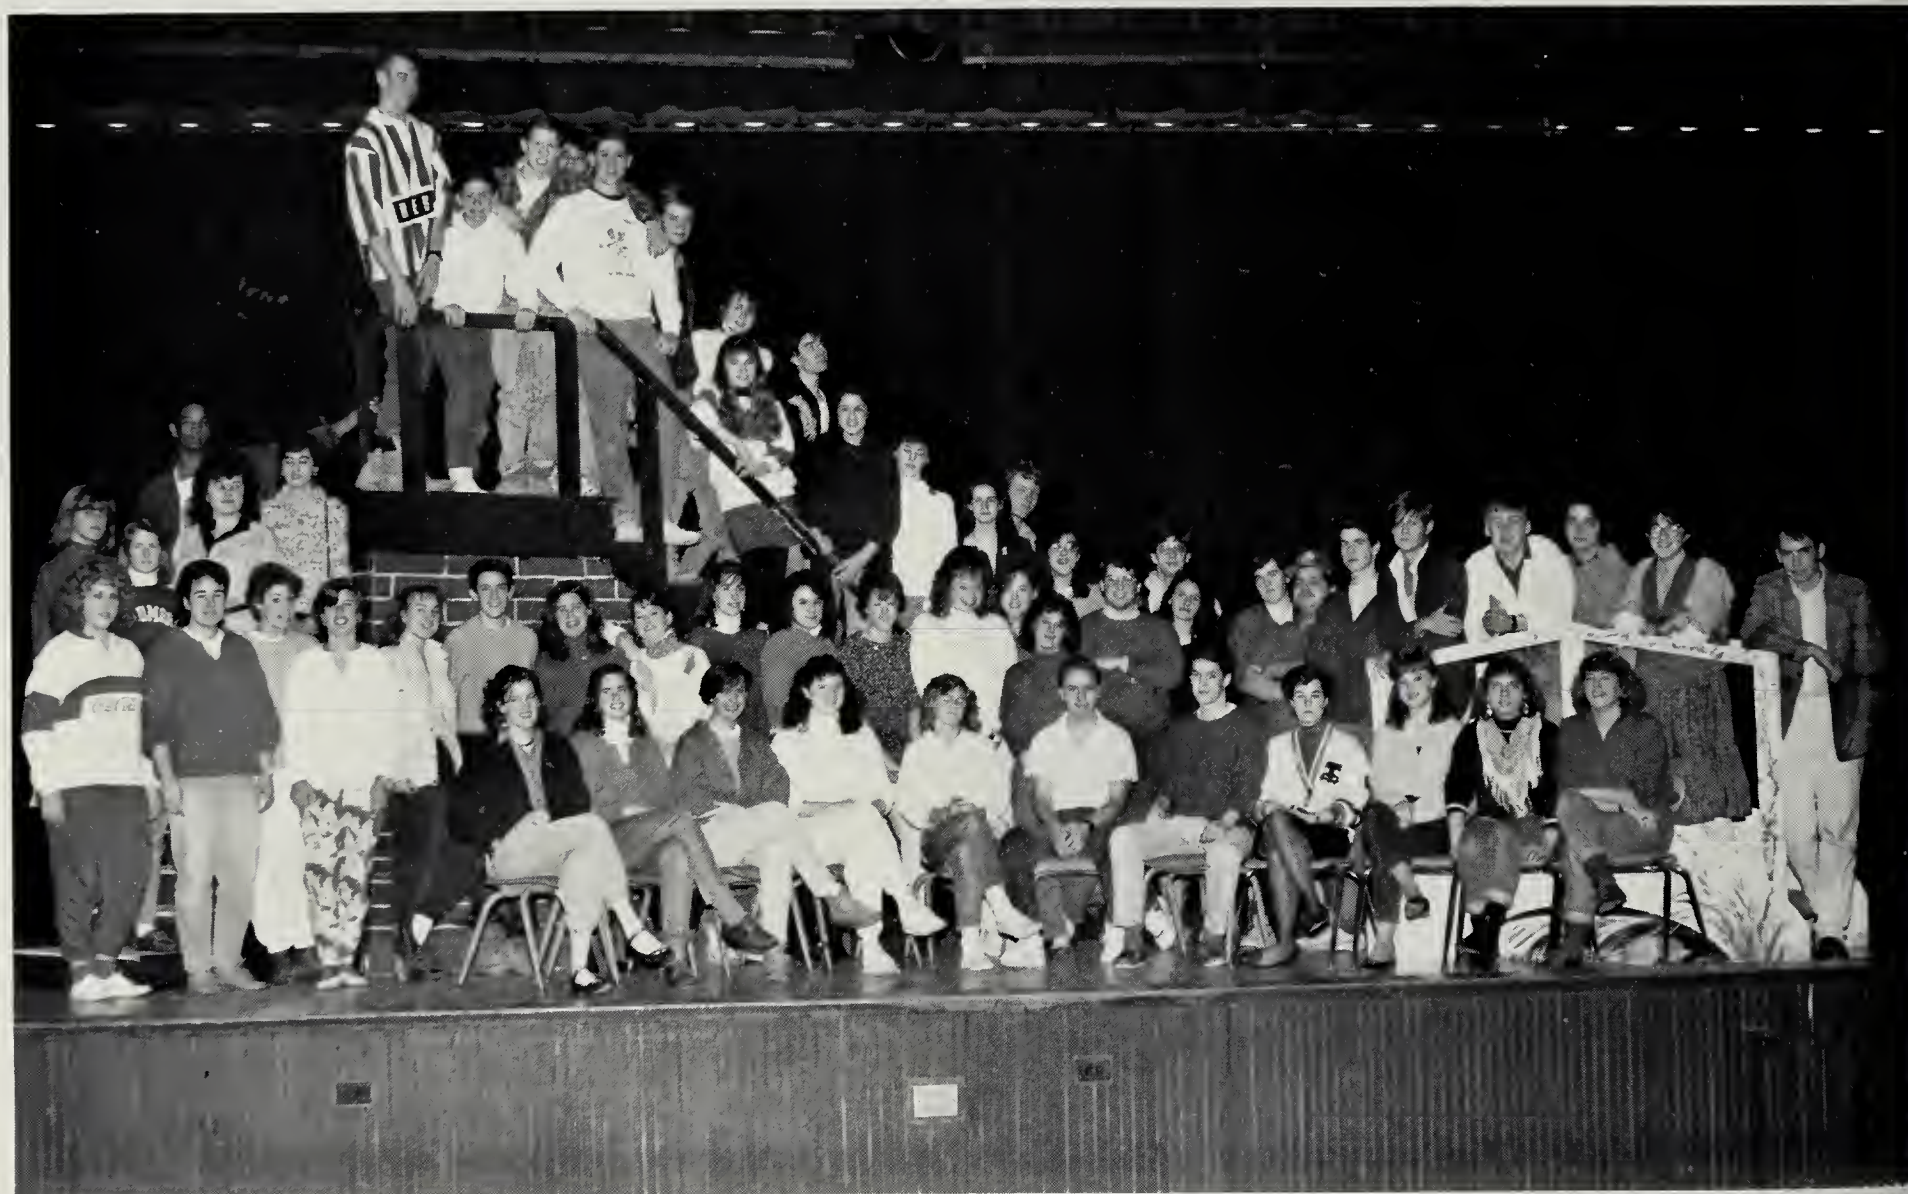

The drama club is, without a doubt, one of Hingham High's most successful clubs. It has produced sell-out shows, award-winning performances, and quite possibly, future stars. Thanks to several extremely patient and talented adult advisors, the drama club has been able to: put on a total of three shows per year, sponsor an annual trip to N.Y.C., and gain recognition as one of the state's finest high school drama clubs. Hats off to Mr. Higgins, Mrs. Luther, Mr. Browne, Mr. Lacatell (and his "Love Rhino"), Mr. Berlenbach (how do you catch a unique rabbit?), and Mrs. Susan "MOM" Kilmartin.

Last year, the drama club took its festival play **The Little Toy Dog** all the way to the state finals in Boston. The show won a total of five awards for outstanding performances. This year's play, **The Honorable Urashima Taro**, is expected to go even farther.

The drama club will continue to produce excellent shows, veteran "Luthercizers," and talented actors for a very long time.

Officers: K. Ryan, T. Gulden, M. Pedersen, M. Mayo, J. O'Neil, L. McColgan

Thespian Society

The Thespian Society is an elite group of actors. It is a great honor to be inducted into the Thespian Society. To become a member one must have done at least 100 hours work that can not be all acting and one must be in at least four High School

productions beginning in ninth grade. All members of the Thespian Society receive a free magazine as well as a card of membership.

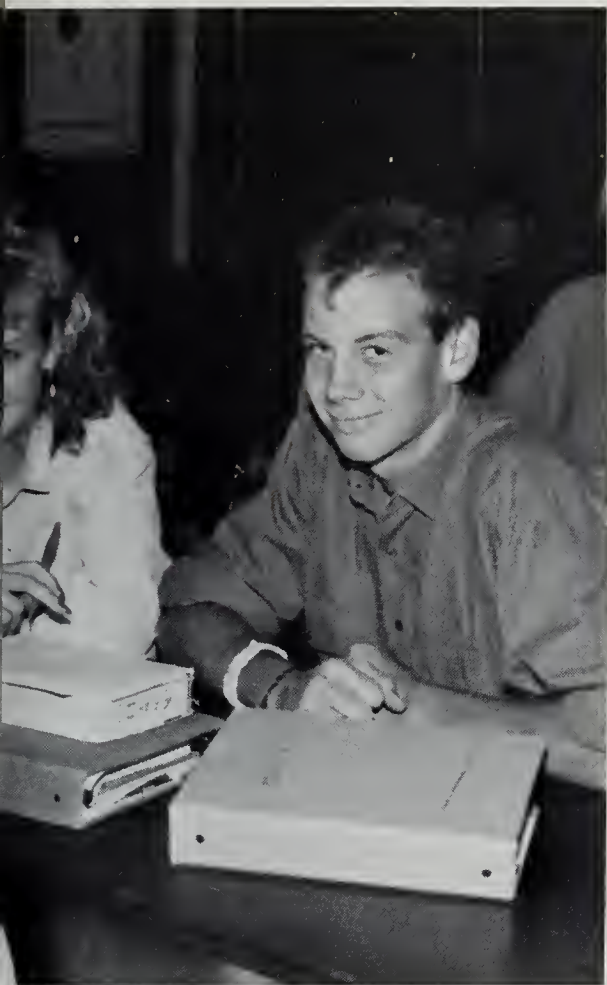

In the spring, Thespian Nite is held. At this gathering new members are in-

ducted, there are play presentations, and stand-up comedy. The members of the Thespian Society also participate in Humanities Nite. The Thespian society is an International organization and all the members are members for life.

THE GOLDEN CHAIN OF FRIENDSHIP

Friendship is a golden chain
the links are friends so dear, and
like a rare and precious jewel
It's treasured more each year . . .
It's clasped together firmly with a
love that's deep and true, and
it's rich with happy memories and
fond recollections too . . .
Time can't destroy its beauty for,
as long as memory lives,
years can't erase the pleasure that
the joy of friendship gives . . .
For friendship is a priceless gift
that can't be bought or sold,
But to have an understanding friend
It's worth far more than gold.
And the golden chain of friendship
Is a strong and blessed tie,
Binding kindren hearts together,
As the years go passing by.

**If you are not leaning,
no one will ever let you down**

... Time will expose the future as memories reveal the past ...

"Feelings of inferiority and superiority are the same . . .
they both come from fear."

Will we ever forget MALFEITOR? (HOPEFULLY)

"People concern themselves with being normal,
rather than natural."

Don't Cry

I'm not gone
I'm the beautiful tune
of a sweet summer song
Don't cry . . . I'm still near
I'm the warm autumn breeze
that blows in your ear
I'm nearer to you than you
will ever know
I'm the grass and the trees
and all things that grow
I'm the diamond-like crystals
on the cool ocean sand
I'm the hot blazing sun at the
end of the day.
And I know all the things that
you wanted to say
But don't cry for me
I've just won my best race
That is why God has chosen me
To come live in his place!

(In memory of "Grampie". . . 9/18/87)

A Friend is a Blessing

There is no blessing
than an understanding friend
Who's there in times of trouble
and on whom we can depend . . .
A friend who knows the faults
we have
but loves us as we are . . .
Of all the blessings life can bring
a friend's the best by far.

Anger is one letter shy of DANGER.

Go on.
It's time for us to part.
Let me know
Someday
if you see a shy girl from a foreign land
find paradise
take your dream and make it real.
Tell me how it is
to wander into the unknown
protected with only thought of the past
Please write
if you overcome fears
reach happiness
find the end of the rainbow,
Have I given
you the strength you gave me
to tame the lions in your thoughts?
Once
you said you'd never leave
time changes everything.
O.K.
It's time for us to move on.

SUCCESS

To laugh often and much; to win the respect of
intelligent people and affection of children; to earn
the appreciation of honest critics and endure the
betrayal of false friends; to appreciate beauty, to find
the best in others; to leave the world a bit better,
whether by a healthy child, a garden patch or a
